The Los Padres National Forest is currently conducting outreach to fill a permanent GS-401/807-12/13 Supervisory Natural Resource Spec/Landscape Architect position. This notification is being circulated to inform prospective applicants of this opportunity and to determine interest.

DUTIES: This position Supervises up to eleven staff in the Heritage, Recreation, Engineering, and Lands programs. It is responsible for program management, planning, budgeting and management information (PBMI) identifying work force and organizational needs, and Forest priorities. Ensures program expenditures are legal, meet charged-as-worked and congressional intent and remain within budget limits. Provides information and makes recommendations to the Forest Supervisor concerning important natural resources activities and the effect on dependent communities and industry. Informs and justifies to the Forest Supervisor the implementation and execution of the Forest Plan for the assigned programs and recommends necessary amendments.

Reviews and approves all long- range and short- range program action plans to ensure consistency with strategies and program emphasis in approved forest plans. Long-range plans include both conceptual and proposed implementation alternatives. These plans are integrated with other staff areas to accomplish goals and objectives concerned with Forest Management. Monitors performance to ensure resource program goals and objectives are successfully achieved.

HOW TO APPLY: This position will be advertised sometime following the close of the outreach period. You may acquire a copy of the announcement from the internet, at (www.jobsearch.usajobs.opm.gov).
